Quino

¿Cómo va el planeta? (Le Pequena Filosofia De Mafalda) (Spanish Edition) Quino
A través de Mafalda y sus amigos, Quino reflexiona con humor crítico e inteligente sobre la política, la economía y la sociedad en general. Mafalda se plantea constantemente cómo va el planeta, y es que si uno se detiene a observar cómo tratamos la Tierra se da cuenta de que hay motivos para preocuparse.

En esta edición de colección, los lectores gozarán con una selección de los cuadros más representativos de Mafalda acerca de su preocupación por el planeta.

ENGLISH DESCRIPTION

A little bit of philosophy by Mafalda.
Mafalda asks many questions—too many, even—that frequently irritate those around her. Our little indignant one asks deep questions and shares her reflections about the world.
Mafalda constantly wants to know how the planet is doing, and if you stop to observe how we treat the Earth, you realize that there are reasons for concern. There should be one day a week in which the news programs fool us a little bit by giving only good news.
