Gator on the Loose! (Animal Rescue Team) Sue Stauffacher
Meet the Carters: Mr. and Mrs. Carter, 10-year-old daughter Keisha, five-year-old Razi, baby Paolo, and Grandma Alice. Together, they run Carters' Urban Rescue, the place you call when you've got an animal where it shouldn't be. In their first adventure, there's a baby alligator at the city pool, which will seriously interfere with opening day, especially Keisha's cannonball practice. So it's up to the whole family to figure out what to do with the poor guy who has no business hanging around Michigan. Luckily for all of them, and thanks to some serious ingenuity from Keisha, the answer is closer than they ever could have imagined.

Sue Stauffacher turns to her first series effort with Animal Rescue Team. With compelling plots based on actual events in her community, Sue has created a lovable cast of characters of boys and girls, young and old, who feel like people you'd meet at your neighborhood block party. Written in an accessible and engaging style meant to appeal to those independent readers looking to be excited and entertained, and with subplots about friendship, siblings, the environment, and animal conservation, along with plenty of humor, these will be a hit with teachers and librarians, and parents, as well as kids themselves.
