Time Management Is A Myth: How to Double Your Productivity In 30 Days. Guaranteed! Eric Castaneda
There is a misconception about time management. Most people think time management is about managing time which is far from the truth. Time management is about managing yourself. Your energy, not time is the most valuable resource you have when it comes to getting the most out of your day. You will learn: •The most counterproductive activity that you are doing that is killing your business. •What you should focus on to be productive. •How you should focus your time. •Why rituals are key to your success. •How to set up your rituals and much more.
