44 year-old middle-aged Japanese office worker traveling alone in India for the first time tatsuya1970 This is a story about a regular, middle-aged Japanese salaried worker's first-ever 1 week trip in India (New Delhi, Varanasi). In this story, I will cover the day to day uphill battle that I experienced in India, such as of by a fraudulent travel company on my first day there. I have decided to swallow my pride and tell this story so that other people who are traveling to India for the first time do not end up having to go through the same experience as me. I recommend that anyone who is traveling to India for the first time reads this book in order to mentally prepare themselves for what may happen in India.
