Henry Cabot Lodge: A Biography

John A. Garraty

Henry Cabot Lodge: A Biography John A. Garraty
Although an older book, this is a fascinating read about Lodge. In particular it provides a nice balance to the recent Woodrow Wilson biographies, which paint Lodge as somewhat of a demon. This book explains Lodge's opposition to Wilson and his ideas from the opposition's perspective, while not trying to demonize Wilson. There are few books about Lodge available, and most of them, being contemporary to his political career, appear to be biased either in favor of Lodge or attacking him. This book at least strives for an impartial portrayal, although not without some criticism. Footnotes containing comments by Lodge's grandson, who apparently gave the author access to some of Lodge's papers, make for some interesting exchanges on controversial issues between the author and the descendant.
