How to Find, Follow, Fulfill God's Will Andrew Wommack

Have you ever wondered what you were created to do? You may think you have an idea but aren't positive that you are fulfilling the purpose for which God created you. First of all, you have to find the unique purpose that he created you for. In his new book, Andrew Wommack teaches you how to do just that.

Once you find the will of God for your life, you will have the assurance and joy that comes from knowing exactly where God wants you to be. As you follow the will of God for your life, it allows you to set goals and purposely seek after what God has created you to do. Andrew teaches you that the number one way that we learn to follow God's will is to simply put God first. When you put him first, the desire of your heart changes to match up with his.

Lastly, Andrew teaches how to fulfill the will of God in your life. It's one thing to find God's will and start moving in the right direction, but it's something else to stay at it over the long haul. Anybody can start, but it's the people who finish that really make a difference. Finishing is more important than starting, and it is only through faith and patience that you inherit God's promises.
