The Half Sisters

Geraldine Jewsbury

The Half Sisters Geraldine Jewsbury
Considered by the author to be her best book, The Half Sisters tells the story of two young women and the challenges they face in Victorian England. One, the wife to a less than loving man finds herself in an unloving relationship. The other, an Italian singer in England, finds how hard it was to find public success in a time where women were considered second class citizens.

Bristling with the wit that she shared with her contemporaries, Geraldine Jewsbury's tale of social restraints is a great insight into 19th century England, women, and life in general.
