The Officer's Promise (Brothers in Blue #1) (Volume 1) K. Langston, K Langston
SIX BROTHERS EACH HOLDING A DIFFERENT BADGE OF THE LAW EACH SWORN TO SERVE AND PROTECT prom-ise: assure someone that one will definitely do, give, or arrange something; undertake or declare that something will happen. NYPD Officer Ryker Cunningham comes from a family of men committed to upholding every letter of the law. But when he crosses paths with MaryAnn Glover, a troubled woman who not only tempts his heart but also his self-control, his need to protect her overrides everything he’s ever believed in. With a promise to keep her safe at any cost, Ryker shows MaryAnn what it means to live without fear…and love without regret. PLEASE NOTE: This is a novella, consisting of approximately 38,000 words. The Officer’s Promise is not only Ryker and MaryAnn’s story but an introduction to the Brothers in Blue Series as well. The remaining five books of the series will be full-length novels. Each book will feature one of the six Cunningham brothers. I highly recommend you read them in order as the characters will overlap throughout each individual story. The Officer’s Promise is written from dual POV, with an HEA and no cheating.
