Donald Blowhard Trump: Racist GOP Liar-in-Chief -- the Most Dangerous Presidential Candidate in U.S. History Hugh E. Scott
Vietnam veteran Hugh E. Scott, a political cartoonist, freelance investigative journalist and ardent Reagan Republican, wrote this book to expose Donald Trump as a cowardly Vietnam War draft dodger who has falsely claimed the support of “hundreds of thousands of veterans.” More telling is the lack of endorsements by military generals and admirals. A google search by Scott on 02/10/16 revealed that just one officer—retired Air Force General Chuck Yeager, the famous “Right Stuff” test pilot—supposedly supports Trump. However, this claim is also FALSE, a case of mistaken identity. Scott details a number of reasons why The Donald should not serve as our armed forces commander-in-chief. The most disqualifying reason concerns the treatment of captured terrorists. Trump not only believes the illegal waterboarding of suspected combatants should be allowed, he thinks more sadistic methods of torture should be used, such as flogging. “When I become president,” he boasted on CNN in Feb 2016, “I will change federal law so that waterboarding is no longer classified as a war crime and harsher methods as well.” If he succeeds, the Geneva Convention will no long apply to our troops overseas and they would be tortured routinely while in enemy hands. So much for Trump caring about the American military and its veterans.
