Paris Made Easy: The Best Sights and Walks of Paris (Open Road Travel Guides) Andy Herbach Open Road's new, two-color, small format travel guides, for travelers looking for a lightweight companion to take them to Paris's best sights and walks! Like Open Road's series of foreign language menu-readers, our new compact, lightweight travel guides are for those travelers who already know where they're staying and don't want to lug around a huge book during the day. With a sprinkling of restaurant selections arranged by neighborhood, our Made Easy series focuses on taking readers to the best, as well as the most different and unusual, sights and walking tours in each city. Tuck this guide into your pocket and head out for a great day of sightseeing: over 100 sights (from the popular Eiffel Tower to the strange Counterfeit Museum!), with insider tips on where to stop at a cafe, where to eat, interesting shops, and beautiful walks along the Seine or through the famed Latin Quarter. Attractive design features a second colour on the inside. Note On The Competition: AAA Essential Paris focuses only on the major sights in Paris. Fodors Pocket Paris and Frommers Portable Paris are heavy on restaurants and hotels and also mostly only the major sights. This series will cover more than the major sights, include walking tours, and will skip hotels except for a top ten listing.
