**Call of Duty** Cliff Graham
Many boys believe that God is an old man on a throne who wants to take all the fun out of life, require them to give up their identity, wear geeky clothing, and memorize a list of rules in order to be spiritual. Written by an Army officer and youth pastor, Call of Duty will help parents understand why their son doesnt seem to care about Christianity. With humor and insight, Cliff Graham describes the world of modern teenage boys and gives the reasons why they roll their eyes whenever they hear the words, Lets go to church. The crisis with boys continues to grow, and the only way to stop it is by showing the next generation of men who the real Jesus is. A list of rules doesnt inspire a great soldier. The Call of Duty does.
