The Immortal Chronicles are a collection of novellas from Adam the immortal man, narrator of the *Immortal Trilogy*.

Immortal at Sea
Adam's adventures on the high seas have taken him from the Mediterranean to the Barbary Coast, and if there's one thing he learned, it's that maybe the sea is trying to tell him to stay on dry land.

Hard-Boiled Immortal
The year was 1942, there was a war on, and Adam was having a lot of trouble avoiding the attention of some important people. The kind of people with guns, and ways to make a fella disappear. He was caught somewhere between the mob and the government, and the only way out involved a red-haired dame he was pretty sure he couldn't trust.

Immortal and the Madman
On a nice quiet trip to the English countryside to cope with the likelihood that he has gone a little insane, Adam meets a man who definitely has. The madman’s name is John Corrigan, and he is convinced he’s going to die soon.

He could be right. Because there’s trouble coming, and unless Adam can get his own head together in time, they may die together.

First Folio: Pirates, Succubi and Madmen is the first *Immortal Chronicles* anthology. All three novellas in one volume, and a bonus: an introduction from Adam himself!
