**Hunted in Wolfen Wood (A BBW Paranormal Shape Shifter Romance) (Wolfen Wood Paranormal Romance Series Book 2)** Megan Tisdale
Jenny's a recent transplant from Mississippi. The sassy, curvy redhead is working as a waitress when Croaker gets very inappropriate with her, in a very scary way. Riley and Cole come to the rescue, chasing off the outlaw biker, while firing up her gratitude and interest. Then after Riley saves her a second time, this time from real wolves, things get as wild and wicked at the Wolfen Wood Packs' reputation.

Croaker does not give up on Jenny, bringing his MC brothers with him to corner her in the woods behind the café. Can she escape his vengeance? Can even powerful shifters like Riley and Cole save her?

This is not a sweet romance, but a scorching hot shifter story about a BBW and the shifters that wants her more than anything else.

About the Author:
Megan is a stay at home wife and mother, with three small dogs to complicate things. She loves movies, books, and writing. Not necessarily in that order. Her favorite genres to read are fantasy romance, all genres of fantasy, and mysteries. Mostly, though, she writes fantasy and is very excited to find e-publishing so she can share her fantasy adventures with others.
