**Microsoft Windows Repair Book - All Versions: Remove Viruses & Passwords in Minutes!! (The Help Section) (Volume 1)** Beanie L Yvonne
The Help Section Series: Windows Repair-All Versions Windows XP, Windows Vista, Windows 7, Windows 8, and Windows 8.1 Paying for your computer repair is about to become a thing of the past! Information is power and all too often, I hear about people getting ripped off by these so-called computer repair facilities. I mean wouldn't you want to know that most of the services the professionals use are right at your fingertips? I know I would. It would be a total bummer if your computer starts to act up right when you are researching something....in the middle of the night! The Help Section covers many of the tips and tricks I use to remedy slow moving, virus infected, and junked up computers that will essentially return any computer to full speed. Repair all versions of Windows from XP through Windows 8.1 plus how to remove passwords if you get locked out. Also, this must have eBook contains all steps, by computer model, on how to restore your computer to factory default condition just like when you first purchased it. Information included within this eBook: how to remove passwords step by step (with illustrations), tips, Windows 7 OS boot disks (works on all versions of Windows 7), reset and restore Windows 8 and 8.1, anti-virus software links, photos and graphics. I will take you from the start up of your Desktop or Laptop all the way through stopping the sluggish behavior of your PC. This is a must have book for the D.I.Y person that cares about not wasting money and learning a new trade, if needed. When you are finished with this very simple lesson you will come away with the valuable knowledge of how to fix any Windows computer and the benefit of knowing what the pros know! Everything that we are going to provide for you will be absolutely free (except the cost of this book). REQUIREMENTS: Windows Operating System This book covers all versions of Windows.
