Night Walkers Brionna Paige McClendon
One fateful night, eight hundred years ago, Alexandria met a strange and beautiful woman. Without knowing it, she had met the queen of vampires. On this night, Alexandria would no longer be a simple farm girl. She would be reborn into a creature of night, into the princess of vampires. No longer did she go by the name of Alexandria, her new name would be Nehemiah. Now, eight hundred years later, Nehemiah is sent out by the queen to kill the vampire hunters that have been scouting out the castle in which they reside. When Nehemiah finds herself before the last hunter she finds it hard to murder her like the rest of the group. Finding a familiar scent upon the woman, Nehemiah makes a choice that goes against everything the hunter knows and even against everything Nehemiah believes.
