Seven Days in Rio

Francis Levy

Seven Days in Rio Francis Levy

"The funniest American novel since Sam Lipsyte's *The Ask*."
-*Village Voice*

"A ribald chronicle of [a] 60-something Manhattan accountant, who's come to Rio de Janeiro as a sex tourist. [A] fever dream of a novel."
-*New York Times Book Review*

"Levy delivers a visceral blend of hilarious satire and study in human sexuality, taking us on a deviant tour of Rio."
-*Interview Magazine*

I have come to regard almost everything that happens in human life as a form of therapy.

So muses Kenny Cantor, always dapper in his seersucker suit from the Brooks Brothers 346 collection. Kenny is a CPA, amateur psychoanalyst, and sex-tourist vacationing in Rio when he gets waylaid at a psychoanalytic conference.

What ensues is a provocative journey that merges sex and psychoanalysis through Rio's tawdry netherworld of Susan Sontag-quoting denizens as only an incendiary voice like Francis Levy could imagine.

Francis Levy is the author of *Erotomania: A Romance*, a Queerty.com Top 10 Book of 2008 and an *Inland Empire Weekly* Standout Book of 2008. His short stories, criticism, humor, and poetry have appeared in *The New York Times*, *The Washington Post*, *The New Republic*, *The Village Voice*, and many others.
