Slayers: Woman of War

José del Nido

Slayers: Woman of War José del Nido
Barbarian babes brandishing blades! Always a fun topic of discussion,but in the talented hands of painter José del Nido, that topic transcends mere eye candy and inspires actual shock and awe! These are truly stunning portraits that celebrate the terrifying beauty of fighting females! There are few artists who can bring such power and emotion to such VERY dangerous females, but del Nido certainly ranks among the finest!
