The Protector (Sizzling Miami Series Book 3) Jessie G
There was a time when Master Saul Alvarez filled his days fighting and his nights teaching willing subs the pleasure of his whip. His compassionate understanding of the masochist mind makes him the most sought after professional sadist in the Miami BDSM community. Neither role invites long term relationships, but he's comfortable with his solitary existence until he is charged with guarding Durango's prized whore. One look into those terror filled eyes has him vowing to risk it all to save the beautiful man.

Javier Escardo had been praying for death, but never expected the stone cold killer he got in response. One glimpse into those sinful eyes reveals not only the promise of retribution, but a reason to live. Eight years later, free and mostly sane, Javier is determined to take what belongs to him. Saul's heart. Through hell and back, through layers of pain and shifting realities, that one truth has remained firm. His protector needs saving and he can't do it alone.

Hidden beneath the public persona, Kyle Jensen is a man who craves to be invisible without being insignificant. He longs to find a Master who will see his need to be taken over without abusing him and a lover who will care about him beyond the sexual games. It isn't until he encounters the smoldering combination of Saul and Javier that he realizes it was never supposed to be just one partner at all.

Can two battered hearts be mended by the love of a third? Kyle becomes the light to their darkness, and he's willing to risk his heart for theirs, but when the past threatens Saul, will Javier's sacrifice destroy them all?

Author's Note:
The Protector deals with issues of sexual abuse and forced prostitution. While these acts are not detailed on the page, there are many references to them and the ongoing fight to heal and overcome. This book should not be read by anyone who would be adversely affected by these references.
