Anne of Green Gables

Lucy Maud Montgomery

Anne of Green Gables Lucy Maud Montgomery
Anne, a young orphan from the fictional community of Bolingbroke, Nova Scotia (based upon the real community of New London), is sent to Prince Edward Island after a childhood spent in strangers' homes and orphanages. Marilla and Matthew Cuthbert, siblings in their fifties and sixties, had decided to adopt a boy from the orphanage to help Matthew run their farm. They live at Green Gables, their Avonlea farmhouse on Prince Edward Island. Through a misunderstanding, the orphanage sends Anne Shirley.

Anne is described as bright and quick, eager to please, talkative, and extremely imaginative. She has a pale face with freckles and usually braids her red hair. Marilla at first says the girl must return to the orphanage, but after a few days, she decides to let her stay. Marilla feels that she could be a good influence on the girl and has also learned that a disagreeable woman in town might take Anne instead.

As a child of imagination, Anne takes much joy in life and adapts quickly, thriving in the close-knit farming village. Her talkativeness initially drives the prim, duty-driven Marilla to distraction, although Matthew falls for her charm immediately. Anne says that they are "kindred spirits."

The book recounts Anne's adventures in making a home: the country school where she quickly excels in her studies; her friendship with Diana Barry (her best or "bosom friend" as Anne fondly calls her); her budding literary ambitions; and her rivalry with classmate Gilbert Blythe, who teases her about her red hair. For that, he earns her instant hatred, although he apologizes many times. As time passes, Anne realizes she no longer hates Gilbert but cannot bring herself to speak to him...
