Lady in the Red Cranial Prosthesis: My Journal of Cancer and Faith (Journeys & Memoirs) Tracy McCain

Tracy McCain is in for the battle of her life. A diagnosis of breast cancer; a treatment of surgery and chemo. Confronting challenge after challenge — to her health and to her Christian faith — Tracy generously shared her journey with relatives and friends by posting regular entries to a website. Candid, revealing, and introspective, and even humorous at times, the posts became a personal record of this window into her courageous fight. Bridged by *new explanatory notes and context*, the journal posts became this book about the journey.

“I remember the day Tracy called and told me she had cancer. I was so shocked — of all people to get cancer. Tracy already had enough to deal with: she and her husband Rafe were already fighting a battle to keep life as normal as possible. When the CaringBridge journal was set up for Tracy, I thought this was a wonderful tool to keep up with her and the family’s needs and to know how to pray for her and the family. Each day I would look forward to reading her posts and it became like a daily devotion for me. When you read this book, I know you will be encouraged in your faith too.”
— Marilyn Carrell
Dallas, Texas

A new and compelling addition to the *Journeys & Memoirs Series* from QP Books.
