Starry Night: Organ Meditations for Christmas James Southbridge
Level 1 * Our traditional images of that first Christmas, forever flooding our memories with pictures of the simple cradle, the warm manger, the hushed Bethlehem hills, and yes, that "starry night," are all quietly captured in this remarkable collection of gentle, meditative organ arrangements for the season. Equally appropriate as preludes and offertories-and perhaps, just perhaps, a peaceful postlude-these thirteen compositions, all timed and registered for all organs, will be a welcome addition to every organist's library.
