Nacozari de Garcia: Tres Siglos de Historia y Mineria (Spanish Edition) Ernesto Ibarra

Desde las entraNas de la tierra que siglos atrAs ocuparon las tribus Opatas en esta regiOn serrana de la geografIa de Sonora se forja su historia, que durante siglos estarA aleada al mineral que naturalmente la engendra. AsI lo expone el libro Nacozari de GarcIa, Tres siglos de historia y minerIa, una obra que proyecta una amplia panorAmica histOrica de Nacozari de GarcIa, en la que el lector verA cOmo los riquIsimos yacimientos de cobre matizan con su brillo metAlico el registro histOrico, y soplan vida a una comarca antes desierta. El serio y dedicado trabajo de investigaciOn de Ernesto Ibarra, autor del libro, transporta al lector a los orIgenes de este lugar, en donde en una remota interseccIOn de la historia los nativos colisionan con misioneros, conquistadores y exploradores europeos, en un diverso y tumultuoso contexto en el que eventualmente lo que se impone es la eminencia del cobre. De esta manera, el metal rojizo demanda y mantiene un lugar preponderante en el mapa de esta zona de Sonora --y del mundo--, atrayendo inversiOn, logIstica, fuerza laboral, infraestructura y poblaciOn, asI como la inminente, innovadora y estridente llegada del ferrocarril. Si bien la profusa extracciOn del cobre pone en movimiento maquinaria y esfuerzo humano, tambiEn crea el sombrIo escenario en donde se evita una tragedia de mayores proporciones por la rApida intervenciOn --aunque fatal-- de un ferrocarrilero que inmortaliza su nombre con un acto heroico a favor de la poblaciOn. La polItica, el arte y la cultura brotan paulatinamente, fusionadas a la extracciOn del cobre, dando forma y enriqueciendo el registro histOrico de Nacozari de GarcIa. Ibarra plasma en su trabajo literario un mural histOrico que refleja cada aspecto relevante de esta ciudad, aportando asI no solamente el trabajo mAs reciente sobre el tema sino uno no fAcil de igualar. Las decenas de fotografIas inEditas que recopila el autor y que forman parte de Nacozari de GarcIa, Tres siglos de historia y minerIa, dan un balance apropiado al texto y, en su conjunto, letra e imagen producen una sOlida obra digna de ser consultada por estudiosos, disfrutada por el pUblico en general, y atesorada por quienes --de una u otra manera-- estAn vinculados a Nacozari de GarcIa.
