Secretly Sam (The October Trilogy Book 2) Heather Killough-Walden
It’s been a week since Logan Wright and her friends managed to defeat Samhain, the Lord of the Dead, and put an end to the death and destruction he caused in his relentless pursuit of her.

All has been quiet.

But it’s always quiet before a storm, and as the October wind picks up once more and red eyes peer from the darkness, it becomes clear that “Sam Hain” is far from finished. He’s after something precious, something that can only be found here, and he isn’t going to go away without it.

In this second installment of the pulse-pounding young adult series The October Trilogy, Logan and her companions face an enemy that has grown more powerful, more determined, and more dangerous in spades. Samhain, who has once more become Sam Hain the indomitable god-turned-vampire, has his mesmerizing sights set on Logan Wright, body and soul.

Nothing is going to sway him this time. He’s learned his lessons and adapted. Time is running out. And nothing is more deadly than a Death God on a schedule.
