Undercover Assignment Akm Miles
Gom Marsh liked knowing that the work he did as an undercover cop, enrolling into high schools to assist the staff in cases of extreme bullying, made a difference. It was rewarding, but often heartbreaking, work. When a new man, Casey Tanner, comes into his life, his heart is immediately engaged. Is he about to find the happiness he's always longed for? He's excited by the possibilities, but Casey doesn't like to be touched. That could be a problem. These two young men's lives become as intricately entwined as the cases that Gom finds himself involved in throughout the story.
