About a Girl Joanne Horniman
A spellbinding, dreamy love story between two young women that unfolds like a series of paintings

I remember when we lay together for the first time and I closed my eyes and felt the crackle of her dark hair between my fingers. She was all warmth and sparking light. When I was with her, my skin sighed that the center of the world was precisely here.

Anna is afraid she must be unlovable—until she meets Flynn. Together, the girls swim, eat banana cake, laugh, and love. Some days Flynn is unreachable; other days she's at Anna's door—but when Anna discovers Flynn's secret, she wonders if she knows her at all. This beautifully crafted novel explores the tension between the tender moments that pull people together and the secrets that push them apart.

From reader reviews:

Rafael Arent:

What do you ponder on book? It is just for students because they're still students or that for all people in the world, what the best subject for that? Just simply you can be answered for that issue above. Every person has several personality and hobby per other. Don't to be obligated someone or something that they don't desire do that. You must know how great as well as important the book About a Girl. All type of book would you see on many resources. You can look for the internet resources or other social media.

Dorinda Kling:

Book is to be different per grade. Book for children until eventually adult are different content. As you may know that book is very important for all of us. The book About a Girl has been making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The guide About a Girl is not only giving you far more new information but also for being your friend when you truly feel bored. You can spend your own personal spend time to read your book. Try to make relationship with all the book About a Girl. You never sense lose out for everything when you read some books.

Robert Alleman:

Do you certainly one of people who can't read gratifying if the sentence chained in the straightway, hold on guys this particular aren't like that. This About a Girl book is readable by you who hate the straight word style. You will find the data here are arrange for enjoyable examining experience without leaving perhaps decrease the knowledge that want to give to you. The writer connected with About a Girl content conveys the idea easily to understand by most people. The printed and e-book are not different in the written content but it just different such as it. So , do you still thinking About a Girl is not loveable to be your top listing reading book?

Cassandra Harvey:

Playing with family in a very park, coming to see the marine world or hanging out with good friends is thing that usually you could have done when you have spare time, then why you don't try issue that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love About a Girl, you are able to enjoy both. It is excellent combination right, you still need to miss it? What kind of hangout type is it? Oh occur its mind hangout men. What? Still don't buy it, oh come on its called reading friends.
