Birnbaum Guides

Birnbaum's Walt Disney World For Kids 2009 Birnbaum Guides
Children are perhaps Walt Disney World’s biggest fans. On playgrounds and in classrooms, there’s always excited talk about who went to Walt Disney World and what they did each day—or minute. It has become almost a rite of passage to visit America’s most popular travel destination, and kids can be wonderful sources of information.

Every area and attraction of Walt Disney World is covered, with kids’ honest reactions and impressions included. There is a whole chapter devoted to each of the theme parks: Magic Kingdom, Epcot, Disney's Hollywood Studios, and Disney’s Animal Kingdom. Another chapter describes the rest of Walt Disney World, including Blizzard Beach, Typhoon Lagoon, Fort Wilderness, Downtown Disney, and dining spots with kid appeal.

The book is updated annually, and the 2009 edition features lots of new tips and attraction reviews from young "Disney Experts" around the world. We'll tell kids how to catch "Wildcat fever" at the rollicking new show, "High School Musical 2—School’s Out!" And we'll give young readers the inside scoop on the newest WDW attractions, including the thrilling Toy Story Mania!
