Cells, Skeletal & Muscular Systems - IWB Digital Lesson Plan (Gr. 3-8) (Human Body (Classroom Complete Press)) Susan Lang
Help your students understand what cells, bones and muscles have in common with our engaging and highly interactive 80 page digital lesson plan. Start your exploration of the human body with a look at the structures and functions of cells, including specialized cells. Next, examine how cells make up tissues, organs and organ systems. Finally, finish off with an in-depth study of both the muscular and skeletal systems. Using any brand of Interactive Whiteboard, you will be able to create an opportunity for students to get more involved in the lesson. Each readymade screen is complete with reading passages, before and after you read interactive activities, memory match game, crossword, word search, and even supporting video & audio. Test your student s comprehension on cells, bones and muscles with our SMART ResponseTM Comprehension Quiz, available for SMART NotebookTM users.
