Do Over! Jeff Kirvin
Richie Preston is 27 years old and still lives in his parents' house, still works at a dead end job, lost his great love, still hasn't really begun his life.

One day the fates smile on him and give him the opportunity to start over, to go back to being 17 and about to start his senior year of high school, only this time with all the memories of what he did wrong the first time. All he has to do is not interfere with anyone else's life. It sounds like a great deal, but living up to his end of the bargain turns out to be harder than Richie ever imagined.

If you had the chance, would you make the choice?
