When your deadbeat ex leaves you in debt, sleeping with a few billionaires to pay it off doesn't seem so bad...

Jenn fell in love with a hunky well-endowed man who ended up putting her into a considerable amount of debt before leaving her. Unfortunately for her, she doesn't even have enough money to pay for her apartment and she needs to find a job quickly.

Jenn ends up finding a company that is hiring escorts who are responsible for servicing filthy, rich billionaires. She reluctantly takes the job trading her body for cash from billionaires since she doesn't have many options.

A dirty tale of a wall street prostitute filled with multiple billionaires, a variety of kinks and a lot of naughty business!
