Las alergias (Spanish Edition)

Salomon Sellam

Las alergias (Spanish Edition) Salomon Sellam
Este libro describe los fenomenos alergicos mas comunes, tales como las alergias a los alimentos, las plantas, el polen, el polvo domestico, las plumas, los medicamentos y los metales, asi como las alergias oculares, la rinitis, la sinusitis y la fiebre del heno. La version tradicional de la alergia nos habla de una deficiencia del sistema inmunitario y la califica como enfermedad Â«que en la actualidad afecta a un numero cada vez mayor de personas, pero que sigue siendo una desconocidaÂ». Otras interpretaciones consideran que lo mas importante es la Â«predisposicion del terrenoÂ» para esta enfermedad. La presente obra propone una vision psicosomatica que intenta ir mas alla de tales afirmaciones y desarrolla los factores psiquicos que pueden estar en el origen de esta patologia tan frecuente, dando respuesta a la siguiente pregunta: Cual es el verdadero sentido de la alergia? / This book describes the most common allergic phenomena, such as allergies to foods, plants, pollen, dust, feathers, drugs and metals, as well as ocular allergies, rhinitis, sinusitis and hay fever. The traditional version of allergy tells of a deficient immune system and qualifies it as a disease ""that affects a growing number of people, but it remains unknown.
