Max and the Map: Homer's Odyssey for Children Edward Alan Kurtz

A retelling, in a very simple and fun way, of Homer's *Odyssey*. *Max and the Map* was written by American writer Edward Alan Kurtz, a well-travelled author who has already written a variety of travel books. He spent many years living in Hawaii and now lives and writes in Thailand. As well as writing for the travel genre, the author has created many children's books, both fiction and nonfiction. His travels have given him great inspiration especially for his stories.

The story of *Max and the Map* is centered around a young boy, Max, and his two best friends, Kathy and Brad. The story begins with Max finding an old book at the library. At first he is unaware of its significance, but later on he discovers that it is full of old maps. Max shares his discovery with his two close friends and upon touching one of the book's maps, they are all suddenly transported to the Mediterranean Sea during the time of ancient Greece. The three begin an exciting adventure which turns out to be a journey that a very famous character has embarked on himself, Homer's Odysseus. How will they get back home to Ithaca, NY?

Max and the Map is full of thrilling twists and turns for the listener. It contains 15 chapters in total, all with curious titles to interest the listener. The book's literary features have been carefully researched and allow children to easily delve into the world of ancient Greece, as well as learn about a very famous epic poem.

Donna Canales:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Max and the Map: Homer's Odyssey for Children can make you feel more interested to read.
