Pit Bull Nation is the story of a woman who found a pit bull and how that one dog changed the course of her life. The chain of events which follow would discourage most people, but Cindy finds a connection with these dogs that gives her the strength to overcome adversity and confront her own fears. She finds a comrade and soul mate in these unwanted dogs whose very name and image inspire media frenzy. This book is a journey over the hills and valleys of rescue work and a tell all look from behind the scenes in the killing fields where most of these dogs are being slaughtered simply because they look like pit bulls. Cindy Marabito believes there is a solution for America's first native dog breed, the American Pit Bull Terrier. This book is Cindy's story about these extraordinary dogs and the people who believe in them.
