ROMANCE: Shifter Romance: Bear the Love (Paranormal Bear Shifter Romance) (New Island Adult Pride Romance Short Stories) Cassandra Evans
It's hard for me to imagine how some people can spend so much time out here in the woods.

Maybe I'm just too much of a city girl to be really in tune with nature, who knows? But I'm here anyway, to spend a weekend alone with my boyfriend Jason.

He's secretly a **bearshifter** , and though he can survive just fine in the city, he sometimes likes to come out here to roam in a freer environment.

The two of us are passionately in love, despite the many obstacles his condition can sometimes pose for our relationship. Nothing, though, can affect how I feel for him, but I think sometimes he feels too much guilt for the way things are between us.

The two of us are pushed to our limits when we're attacked by a pair of werewolves that very weekend, and Jason, after saving me, leaves without a word, not wishing to further endanger me.

And no matter how I try, I just can't seem to cope with such an unbearable loss... What will the future hold?
