The Time of the Hunter's Moon (Casablanca Classics) Victoria Holt

"One of the supreme writers of gothic romance, a compelling storyteller whose gripping novels have thrilled millions."—RT Book Reviews

Rumors. Murder. Fortune. Lies.

According to legend, a girl will see her future husband at the time of the hunter's moon. But when the handsome stranger revealed to Cordelia Grant disappears after an all-too-brief encounter, she has to wonder: Was he merely an apparition...or something more?

The memory of her mysterious gentleman continues to haunt Cordelia when Sir Jason Verringer comes calling. It's rumored the dashing land baron murdered his wife and mistress. But Cordelia knows, better than anyone, not to believe in society gossip. And there's no denying that Jason is dangerously compelling. Her future hinges on one choice.

One man is her destiny. The other is her demise.
