Coffee Guy: Broken by Alphas Sadie Sins
Six successful, powerful, dominating alpha wolf shifters. One sexy, naïve coffee guy. Jayden wasn't expecting his skintight jeans and flirting ways to catch the eye of his billionaire alpha when he started his new job at Starling Enterprises. He definitely wasn't expecting to find himself on the floor of his packleader's office, bound and servicing every eligible alpha that works in the building. Galvin Starling and his associates have a lesson to teach their coffee guy about being a distraction in the workplace. Galvin's not sure if Jayden can handle all six hard points on the matter, but he's determined to find out. If Jayden begs nice enough, they might eventually untie him. Maybe. Jayden's night gets even more overwhelming when he discovers just what makes these muscular alphas so different from other shifters. It gets wet, and no towels are offered to stave the downpour. Warning: This is an intense, caffeinated allnighter of using, stretching, multiple penetration, dominance, degrading language, soaked floors, and sexy strong men with shifter anatomy that knots and ties. With over 15,000 words of naughty filth, it guarantees you'll never look at your coffee guy the same way again. www.sadiesinsbooks.com
