Fred von Bernewitz

Fred von Bernewitz
Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Fred von Bernewitz (b. 1938, Washington, D.C.) is a film editor, currently with HBO. His work in film editing over four decades ranges from TV commercials to features, including several Robert Downey, Sr. films. Interviewed in 2008 by film critic Stuart Klawans for The New York Times, Downey recalled obtaining a camera and working with von Bernewitz during the 1960s. The apparatus turned out to be spring-wound, so the takes could last no longer than 16 seconds, and the film stock was hundred-foot spools of Air Force surplus, salvaged from a dump behind an air base. (Film history can now account for the energetic montage and Scotch tape cinematography of Babo 73.) Postproduction was equally thrifty. “This friend of mine, Fred von Bernewitz, worked as an editor, so we’d sneak into movie editing rooms on the weekend and later send ’em some money.” It becomes evident that Mr. Downey begins most stories with the words, “This guy, a friend of mine.”
