HTML5, JavaScript, and jQuery 24-Hour Trainer Dane Cameron
Master web app development with hands-on practice and video demonstration

HTML5, JavaScript, and jQuery 24-Hour Trainer shows you how to build real-world HTML5 apps — both web-based and mobile — in combination with JavaScript, jQuery, and CSS/CSS3. You'll learn progressively more advanced skills as you work through the series of hands-on video lessons. Exercises and screencasts walk you step-by-step through the process of building web applications, and give you the opportunity to experiment and extend the examples to create your own working web app. You'll gain a solid understanding of the fundamental technologies, and develop a skillset that fully exploits the functionality of web development tools.

Although HTML5 is at the forefront of web development, it exists within an ecosystem that also includes CSS/CSS3, JavaScript, and JavaScript libraries like jQuery. Building robust, functional web applications requires a clear understanding of these technologies, and more importantly, the manner in which they fit together. This is your step-by-step guide to building web apps, with a hands-on approach that helps you learn by doing.

- Master the fundamentals of HTML and HTML5
- Explore multimedia capabilities and CSS3
- Integrate offline data storage, background processes, and other APIs
- Adapt web applications for mobile phones and tablets

Whether you're looking for a quick refresher or a first-time lesson, *HTML5, JavaScript, and jQuery 24-Hour Trainer* will quickly get you up to speed.

From reader reviews:

Luis Garcia:

What do you consider book? It is just for students because they're still students or it for all people in the world, what best subject for that? Just you can be answered for that concern above. Every person has various personality and hobby for each other. Don't to be pushed someone or something that they don't need do that. You must know how great as well as important the book HTML5, JavaScript, and jQuery 24-Hour Trainer. All type of book can you see on many solutions. You can look for the internet options or other social media.

Diane Reid:

Nowadays reading books become more than want or need but also become a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The data you get based on what kind of guide you read, if you want get more knowledge just go with education and learning books but if you want experience happy read one along with theme for entertaining for instance comic or novel. Often the HTML5, JavaScript, and jQuery 24-Hour Trainer is kind of guide which is giving the reader erratic experience.

Nancy Lowery:

A lot of people always spent their free time to vacation or maybe go to the outside with them family members or their friend. Did you know? Many a lot of people spent these people free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity this is look different you can read a book. It is really fun for you. If you enjoy the book which you read you can spent 24 hours a day to reading a book. The book HTML5, JavaScript, and jQuery 24-Hour Trainer it is quite good to read. There are a lot of people that recommended this book. We were holding enjoying reading this book. When you did not have enough space to develop this book you can buy often the e-book. You can m0ore simply to read this book through your smart phone. The price is not to fund but this book has high quality.

Donald Edmond:

This HTML5, JavaScript, and jQuery 24-Hour Trainer is great publication for you because the content that is certainly full of information for you who all always deal with world and get to make decision every minute. That book reveal it details accurately using great manage word or we can declare no rambling sentences inside. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but tricky core information with beautiful delivering sentences. Having HTML5, JavaScript, and jQuery 24-Hour Trainer in your hand like obtaining the world in your arm, details in it is not ridiculous one. We can say that no book that offer you world inside ten or fifteen minute right but this publication already do that. So , it is good reading book. Hey Mr. and Mrs. stressful do you still doubt that?
