Lara Kensington is living a perfectly mundane life as a museum curator, when bad boy treasure hunter, Reece Jerhico, leaps into her life. Literally. Obviously distressed, Reece tells Lara that one year in the future she will be murdered. The evidence he uses to back up his incredible story doesn't convince Lara. She thinks he's crazy. Especially after he claims to be her future fiancé. Lara would have remembered dating someone as delicious as Reece Jerhico. Hot as Reece is, Lara has a difficult time believing anything the man says until the broken amulet he wears around his neck transports them into different bodies, during a different time, in a different place--an ancient place, a cold place, a place where Lara arrives naked, hysterical, and... Norse. On the run through time, attempting to escape a man who is hell-bent on Lara's lack-of a-future becoming a reality, the couple must leap from one time and place to another just to stay alive. In the first volume of this sexy and humorous new series, Lara and Reece share an existence with a ruthless Viking and his captive bride and then with a noble medieval knight and the feisty lady he is determined to win.
