Shifters Seeking Brides (BBW Mail Order Romance) (True Mates Full Collection) Emma Brooks
The True Mates dating agency has their hands full! 3 separate stories of shifters seeking curvy brides.

Submitting To The Bear
Shifter Mason knows that the clock is ticking down, and if he doesn't find a mate soon he might miss his chance. But when he signed up for the True Mates matchmaking service, he wasn't expecting that the one girl who who'd catch his attention would be the same girl who's being eyed-up by multiple other shifters as well.

Cami is a curvacious firecracker, and only found out about the unusual dating agency, filled with the hottest men she's ever seen, through a chance encounter at the park.

There's certain rules that must be followed in order to be a member of the service, one being that the shifters cannot reveal their true nature 'til they've been given permission, but The Bear in Mason is prepared to bend the rules if it means claiming Cami as his mate.

Will Cami submit to the Bear?

Two Wolves, One Mate
After receiving a mysterious card from one of her customers, Mia, feeling lonely and misguided in her new town, decides to give True Mates matchmaking service a try. A few men spark her interest, but one man, Asher, seems a cut above the rest.

Wolf-shifter Asher is smitten by Mia, but his older brother Jed, decides that Mia will be his mate alone and uses the pack hierarchy to ensure that he gets his way. Asher may be younger than Jed and further down the totem pole, but he's not about to back down to the alpha wolf.

Both men are hot, but Mia can't stop thinking about Asher. Is Asher ready to put step up to his older brother, claim Mia as his own, and move to the top of the pack?

The Lion Demands A Queen
Caid is fed up with True Mates matchmaking service! He's a handsome, powerful, wealthy lion shifter, but somehow they've yet to find him a mate?

When Caid decides to confront the head of True Mates and demand a refund, he's surprised to find Bradyn lounging in her office, seemingly doing nothing for the thousands of dollars that he's paid. Worst of all, the curvy woman is looking unusually sexy in her relaxed mode and somehow is making the Lion inside him stir.

Bradyn hates shifters. She works with them day in and day out, setting them up with potential mates, and can't ever imagine mating with one herself. Caid is the worst shifter she's ever met. He's demanding, full of pride, and impossible to control. But when he shows up in her office unannounced, while she's had one too

many drinks, she can't help but wonder what it would be like to have such a powerful man.

Those big hands. That strong body. Is everything else in proportion too? She's heard stories from the ladies that she's hooked up with shifters... Maybe it wouldn't hurt to find out what all the fuss is about?
