**Stalker** Lars Kepler
The much-anticipated fifth thriller in Lars Kepler's bestselling series featuring Joona Linna. Perfect for fans of Stieg Larsson and Jo Nesbo. A video-clip is sent to the National Criminal Investigation Department. Someone has secretly filmed a woman through her window from the garden. The next day she is found dead after a frenzied knife-attack. The police receive a second film of another unknown woman. There is no way of identifying her before time runs out. When her husband finds her he is so traumatised that he cleans the whole house and puts her to bed. He may have seen a vital clue, but is in such an extreme state of shock that the police are unable to question him. Psychiatrist Erik Maria Bark is called in to hypnotise him - but what the man tells him under hypnosis leads Erik to start lying to the police. If the lights are on, a stalker can see you from outside. But if the lights are off, you can't see a stalker who is already inside the house.

**From reader reviews:**

**Rita Dubois:**

Nowadays reading books be a little more than want or need but also get a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book that will improve your knowledge and information. The details you get based on what kind of book you read, if you want send more knowledge just go with knowledge books but if you want really feel happy read one with theme for entertaining including comic or novel. Often the Stalker is kind of reserve which is giving the reader unstable experience.

**Robert Haas:**

People live in this new day of lifestyle always attempt to and must have the time or they will get great deal of stress from both daily life and work. So , once we ask do people have extra time, we will say absolutely without a doubt. People is human not really a huge robot. Then we ask again, what kind of activity are you experiencing when the spare time coming to you actually of course your answer may unlimited right. Then do you ever try this one, reading guides. It can be your alternative throughout spending your spare time, often the book you have read is Stalker.

**Helen Tate:**

Reading a book to become new life style in this calendar year; every people loves to learn a book. When you go through a book you can get a lot of benefit. When you read textbooks, you can improve your knowledge, due to the fact book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you need to get information about your examine, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these us novel, comics, in addition to soon. The Stalker offer you a new experience in reading a book.

**Amy Parr:**

What is your hobby? Have you heard that question when you got college students? We believe that that concern was given by teacher to their students. Many kinds of hobby, All people has different hobby. Therefore you know that little person such as reading or as studying become their hobby. You need to understand that reading is very important and also book as to be the issue. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You find good news or update in relation to something by book. Many kinds of books that can you choose to use be your object. One of them is niagra Stalker.
