Roger K. Leir

The Aliens and the Scalpel Roger K. Leir
The personal story of a professional physician's work involving one of the greatest breakthroughs of all time -- scientific proof that anomalous bio-electromagnetic implants of extraterrestrial origin have been removed from persons reporting alien abduction experiences. This revised and updated book includes and is supported by new scientific reports and a new photo gallery section. The evidence presented here provides enough evidence to believe that we have cosmic companions and they here with us now.
