50 Bars to Blow Your Mind Lonely Planet, Ben Handicott

From the people who have been delivering trustworthy guidebooks to every destination in the world for 40 years, Lonely Planet's *50 Bars To Blow Your Mind* handpicks the world's most extraordinary drinking holes, from caverns and island party havens to a bar nestled in an ancient tree trunk.

This pocket-sized gift book showcases 50 of the world's best bars and is the perfect gift for anyone interested in the best places in the world for a drink. Whether they boast a jaw-dropping location, world-class artisan cocktails or effortless cool, these bars are among the best places on the planet to enjoy a drink or two.

How have we whittled down this list? Some bars have earned their spot by playing up their obvious assets, whether it's an interesting urban location or a stunning natural setting. Others are champions of the basics, be they cocktails or single liquors, while still others do something dramatically unusual or fun; some are so quirky it's impossible not to marvel over a custom-made cocktail. But perhaps the secret sauce in all this is genuine desire to delight each person who walks through the door. It's a love of hospitality and an enthusiasm for the precious drop.

Whether you're a fan of barefoot, surfside imbibing or you prefer sophisticated cocktails in stylish surrounds, it's time to plan your list. Cheers, salut, bottoms up. See you at the bar.
