Executive Outcomes Graphic Novel Nick Bicanic, M. Zachary Sherman
War doesn't determine who's right.
War determines who's left.

Major Cobus Claassens commands a team of 150 mercenaries contracted to bring stability to the war-torn West African country of Sierra Leone.
Battling overwhelming odds, Cobus and his men train and fight alongside a small contingent of soldiers against a murderous band of 15,000 rebel fighters bent on genocide. But, no amount of soldiering has prepared the men for the vicious arena of butchery, treachery, and mounting political pressure they experience while trying to do what is just. What difference does winning make if they lose their humanity in the process?

Based on a true story and written by **Nick Bicanic** the Director and Producer of the 4x LEO award-winning documentary about mercenaries, Shadow Company, with a script written by **M. Zachary Sherman** (America's Army), and art by **Emmanuel Xerx Javier** (Nightbreed), Executive Outcomes is a politically charged, action-packed story that captures the real-life events of a few good men accomplishing impossible deeds.

Cover art by **Leri Greer**
