Explanatory Supplement to the Astronomical Ephemeris and the American Ephemeris and Nautical Almanac Nautical Almanac Offices of the United Kingdom and the United States of America
from the preface: " The purpose of this Explanatory Supplement is to provide the users of The Astronomical Ephemeris ... and The American Ephemeris and Nautical Almanac with fuller explanations of their content, derivation, and use than can conveniently be included in the publications themselves. A rigorous treatment is given of the fundamental basis of the tabulations; this is supplemented by a detailed derivation, showing how each tabulated quantity is obtained from basic data. The use of the ephemerides is also explained and illustrated, but completeness is not attempted. Auxiliary tables, lists of constants, and miscellaneous data are added, partly for convenience of use with the Ephemeris and partly for reference."
