Going Places Paul A. Reynolds, Peter H. Reynolds
A go-cart contest inspires imagination to take flight in this picture book for creators of all ages, with art from *New York Times* bestselling illustrator Peter H. Reynolds.

It’s time for this year’s Going Places contest! Finally. Time to build a go-cart, race it—and win. Each kid grabs an identical kit, and scrambles to build.

Everyone but Maya. She sure doesn’t seem to be in a hurry...and that sure doesn’t look like anybody else’s go-cart!

But who said it *had* to be a go-cart? And who said there’s only *one* way to cross the finish line?

This sublime celebration of creative spirit and thinking outside the box—both figuratively and literally—is ideal for early learners, recent grads, and everyone in between.

From reader reviews:

Melinda Anderson:

Would you one of the book lovers? If yes, do you ever feeling doubt if you find yourself in the book store? Make an effort to pick one book that you find out the inside because don't assess book by its cover may doesn't work this is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside appearance likes. Maybe you answer can be Going Places why because the great cover that make you consider about the content will not disappoint a person. The inside or content is usually fantastic as the outside or cover. Your reading sixth sense will directly direct you to pick up this book.

Frank Jorge:

Is it anyone who having spare time after that spend it whole day through watching television programs or just lying down on the bed? Do you need something new? This Going Places can be the reply, oh how comes? The new book you know. You are so out of date, spending your time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?

William Bottoms:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Going Places can make you sense more interested to read.

Dianne Roy:

Some people said that they feel bored stiff when they reading a guide. They are directly felt the item when they get a half parts of the book. You can choose the actual book Going Places to make your own personal reading is interesting. Your own personal skill of reading proficiency is developing when you just like reading. Try to choose straightforward book to make you enjoy you just read it and mingle the impression about book and reading especially. It is to be initially opinion for you to like to open a book and go through it. Beside that the book Going Places can to be your brand new friend when you're sense alone and confuse in doing what must you're doing of that time.
