Jungle Freakn' Bride (Freakn' Shifters) Eve Langlais
Warning: Hot, steamy threesomes, chauvinism and more are running wild in the jungle. Can you handle the heat?

Everyone’s heard of the mysterious Moon Ghost Jaguars, supposed shapeshifting men who steal women as their brides. What they forgot to mention was that half naked, ripped and oh so delicious, they always came as a pair – and turn into really big freakn’ cats! But Carlie’s not about to let these furry Tarzans dictate her future, even if they seem to have conquered her body.

Acat didn’t think he wanted a mate until he came across the outspoken American with golden hair. Making her his bride is only part of the battle. With the help of his best friend, Chaob, can he find a way to convince this strong willed woman to follow the traditions of his tribe? Or will this reluctant jungle bride get her lovers to accept the fact she’ll never be just a barefoot and pregnant mate?
