A Camper's Guide to Knots and Lashing - A Collection of Historical Camping Articles on Useful Knots for the Campsite Various
This early collection on knot-craft includes articles that would be both expensive and hard to find. It contains information on the varieties of knot and their uses, and includes instructional diagrams on the techniques involved. This is a fascinating work and highly recommended for campers or anyone with an interest in learning the art of knot-craft. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
