Santayana (Arguments of the Philosophers)

Santayana (Arguments of the Philosophers)
This classic study of Santayana was the first book to appear in the *Arguments of the Philosophers* series. Growing interest in the work of this important American philosopher has prompted this new edition of the book complete with a new preface by the author reassessing his own ideas about Santayana and reflecting the new interest in the philosopher's work. A select bibliography of works published about Santayana since the book's first appearance is also included.
