The European Union and E-Voting (Electronic Voting) (Routledge Advances in European Politics)

The European Union and E-Voting (Electronic Voting) (Routledge Advances in European Politics)
This is the first book to systematically evaluate e-voting from the wider European perspective. It focuses on the European experience, thereby raising key issues at the heart of the social sciences, legal scholarship and technology studies in a penetrating and interdisciplinary manner. It coincides with a crucial juncture for European integration in which the Convention on the Future of Europe and the 2004 Intergovernmental Conference will discuss measures to further democratize the EU.
