The Kyn Kronicles: Books 1 - 4 Jami Gray
Shadow's Edge ~ Book 1 It takes a monster to hunt one, and Raine McCord, forged in the maelstrom of magic and science, is the one for the job. In a world where the supernatural live in a shadowy existence with the mundane, a series of disappearances and deaths threatens the secrecy of her kind and indicates someone knows the monsters are alive and kicking. Partnering up with the sexy and tantalizing Gavin Durand proves to be a challenge as dangerous as the prey she hunts. When the trail points back to the foundation which warped Raine's magic as a child, her torturous past raises its ugly head. Gavin and Raine sift through a maze of lies, murder and betrayal to discover not only each other, but the emerging threat to them and the entire magical community. Shadow's Soul ~ Book 2 Raine McCord has no problem taking down the monsters of the world, it's one of the reasons she's so good at her job. So playing bodyguard to Cheveyo, Head Magi of the Northwest, as he consults with the Southwest Kyn should be an easy assignment. Unfortunately, the simple task turns into a nightmare when Cheveyo is kidnapped and Raine is left for dead by one of the Kyn's most feared beings, a Soul Stealer. The Stealer's attack leaves lasting wounds, undermining Raine's confidence as a warrior and damaging her unruly magic. Her ability to heal her mind and spirit hinges on the one man who can touch her soul, Gavin Durand. Compelled to face the emotions raging between them, they must embrace not only their stormy relationship but their evolving magic to escape the twisted threads of murder and betrayal to find Cheveyo. As Raine and Gavin come together and begin to unravel the complex web of secrets and hidden vendettas haunting the Southwest Kyn, they discover unsettling new truths that threaten their very existence. Shadow's Moon ~ Book 3 A blonde, a brunette, and a monster walk into a bar and all hell breaks loose…It should have been the start of a bad joke, but Xander Cade, Tracker for the Northwest Motoki Pack, finds nothing funny about confronting an enraged shifter in a crowded Portland nightclub filled with unsuspecting humans. The resulting carnage begins to fray the thin veil of secrecy shielding the supernatural Kyn community from public scrutiny. It also ensures there is no escaping the one man she's been determined to avoid, her alpha and mate, Warrick Vidis. A series of unusual deaths, along with anonymous threats against him and the pack, begin to jeopardize his normally steely control. Add in Xander's continual reluctance to fully accept their Soul Bond, and the line between intellect and instinct begins to blur, leaving him wondering if one woman's love and acceptance will be enough to save both man and wolf. As the danger escalates, threatening not just their pack but those closest to them, Warrick and Xander must find a way to trust each other and accept their rare bond or risk losing everything—their pack, their friends, and each other. Shadow's Curse ~ Book 4 As the leader of the Amanusa, Natasha Bertoi thrives on chaos, but when tragedy strikes the Northwest Kyn, leaving bodies and betrayal in its wake, not even she is prepared for the fallout. With Northwest houses in an uproar and the Wraiths hungry for blood, all her carefully laid plans are put to the test as she wards off the greedy clutches of the ruling Kyn Council. Her plans and pawns are moving along nicely, until he joins the game. Whispers of treachery draw Darius Abazi to the Northwest in search of justice honed with vengeance. After years of protecting the Council and its secrets he harbors no illusions on how lies can be twisted into truth. As death stalks the Northwest Kyn, he faces off with the beautiful, but manipulative Natasha to uncover the mastermind behind it all. A dangerous attraction lures the two predators into a deadly game, where one wrong move could destroy all that Natasha holds dear.
